Booking Policies

Reservable vs. Open Access Tents - The tents marked “open access” are not reservable ahead of time and are used on a first-come, first-served basis. Reservable tents are booked via RoomBook.

Time Limit - Meeting duration maximum of 90 minutes.

Meeting Type - Meetings held in the reservable tents should be group meetings only. Ongoing classes are not permitted.

Physical/Social Distancing – Physical/social distancing is no longer required when indoors or outdoors. To the extent feasible, unvaccinated individuals and people at higher risk for severe illness may choose to continue distancing themselves from others in addition to other precautions recommended by their healthcare provider. (From <https://www.ehs.harvard.edu/covid-19-resources/secure/activity-workplace-planning> on 4/29/22.)

Food and Beverages - Food and drinks are allowed.

Scheduling - There is no buffer time between reservations. Please remain aware of the time and make sure to end your meeting promptly as scheduled to allow the next group into the tent.

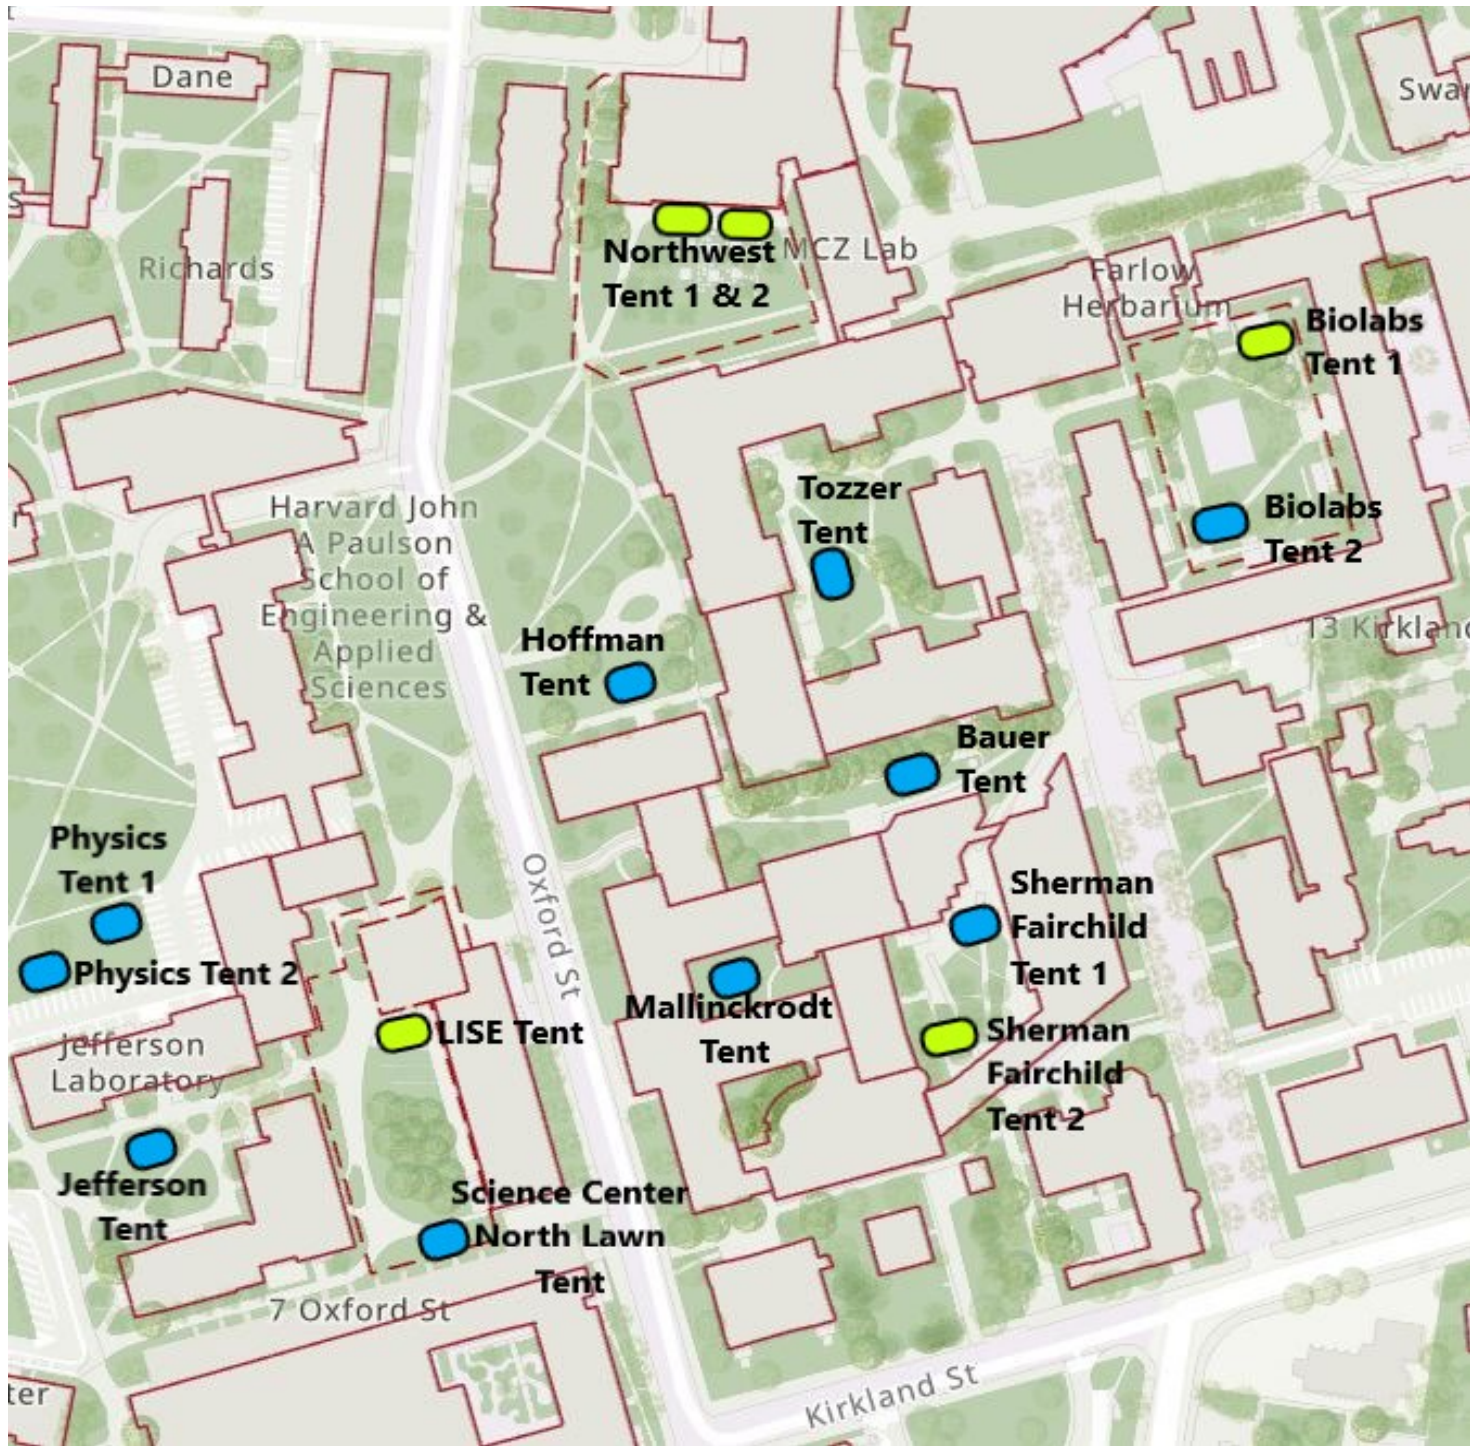

Features - The tents are equipped battery-powered lanterns. No power source extended to the tents. Remember to charge your devices before your meeting.

Cleaning - Each tent will be equipped with a cleaning kit. Please use the provided cleaningsupplies to wipe down the tables before you leave the tent.
